

Chancellors online marketing

ensures that your property
will be seen on average

more than **100** times
a day

We ensure **more** buyers and tenants see your property on the internet.

The combination of our mass web presence and wide portal listing means that your property will be seen, on average, **more than 100 times a day**, dramatically increasing the number of potential buyers or tenants that view your property.

As part of our standard service, we will tailor your online presence across the leading national property portals and search engines to ensure the best local results for your property.

If you're considering selling or letting, please contact us for a free, no obligation, market appraisal of your property.

If you have signed a Sole Agency agreement with another agent, we would advise you to contact us so that the terms of these instructions can be reviewed.
